

## Assignment 2 by Chris

### GitHub Setup

The image shows two screenshots from a web browser. The top screenshot is a GitHub profile page for a user named 'christones'. The profile includes a circular profile picture of a man in a suit and sunglasses, the name 'Chris. Elobo @tangana', and the handle 'christones'. Below the name is the title 'DevSecOps Engineer | Solutions Architect' and a list of technologies: 'IBM | AWS | AZURE | GCP | TDD |'. To the right of the profile picture is a 'README.md' file with a list of bullet points: 'Hi, I'm @christones', 'I'm interested in DevOps Engineering, Data Science & AI, MLOps', 'I'm currently learning Data Analytics, Python Programming, HCL Terraform, IaaS', 'I'm looking to collaborate on AWS resource projects, Cloud native and infrastructures', and 'How to reach me : [elobochris@techovasolutions.ca](mailto:elobochris@techovasolutions.ca)'. Below the profile picture is a section titled 'Popular repositories' with two visible repositories: 'crawler01cj' (Public, Java) and 'Mysearchengine01-torunskijars'. The bottom screenshot shows a 'Confirm access' screen for setting up a personal access token. It displays the user's profile picture and the text 'Signed in as @christones'. Below this is a message: 'When your phone is ready, click the button below.' and a green button labeled 'Use GitHub Mobile'. At the bottom, there is a section titled 'Having problems?' with a link 'Use your password'.

Overview Repositories 93 Projects Packages Stars 1

christones / README.md

- Hi, I'm @christones
- I'm interested in DevOps Engineering, Data Science & AI, MLOps
- I'm currently learning Data Analytics, Python Programming, HCL Terraform, IaaS
- I'm looking to collaborate on AWS resource projects, Cloud native and infrastructures
- How to reach me : [elobochris@techovasolutions.ca](mailto:elobochris@techovasolutions.ca)

Popular repositories

[crawler01cj](#) Public

A simple crawler that fetches basic info along with a nice lucene kind of search

Java

[Mysearchengine01-torunskijars](#)

github.com/settings/personal-access-tokens/15473969

Confirm access

Signed in as @christones

When your phone is ready, click the button below.

Use GitHub Mobile

Having problems?

- [Use your password](#)

github.com/settings/personal-access-tokens/15473969

## Confirm access

Signed in as @christones

### GitHub Mobile

We sent you a verification request on your GitHub Mobile app. Enter the digits shown below to enter sudo mode.

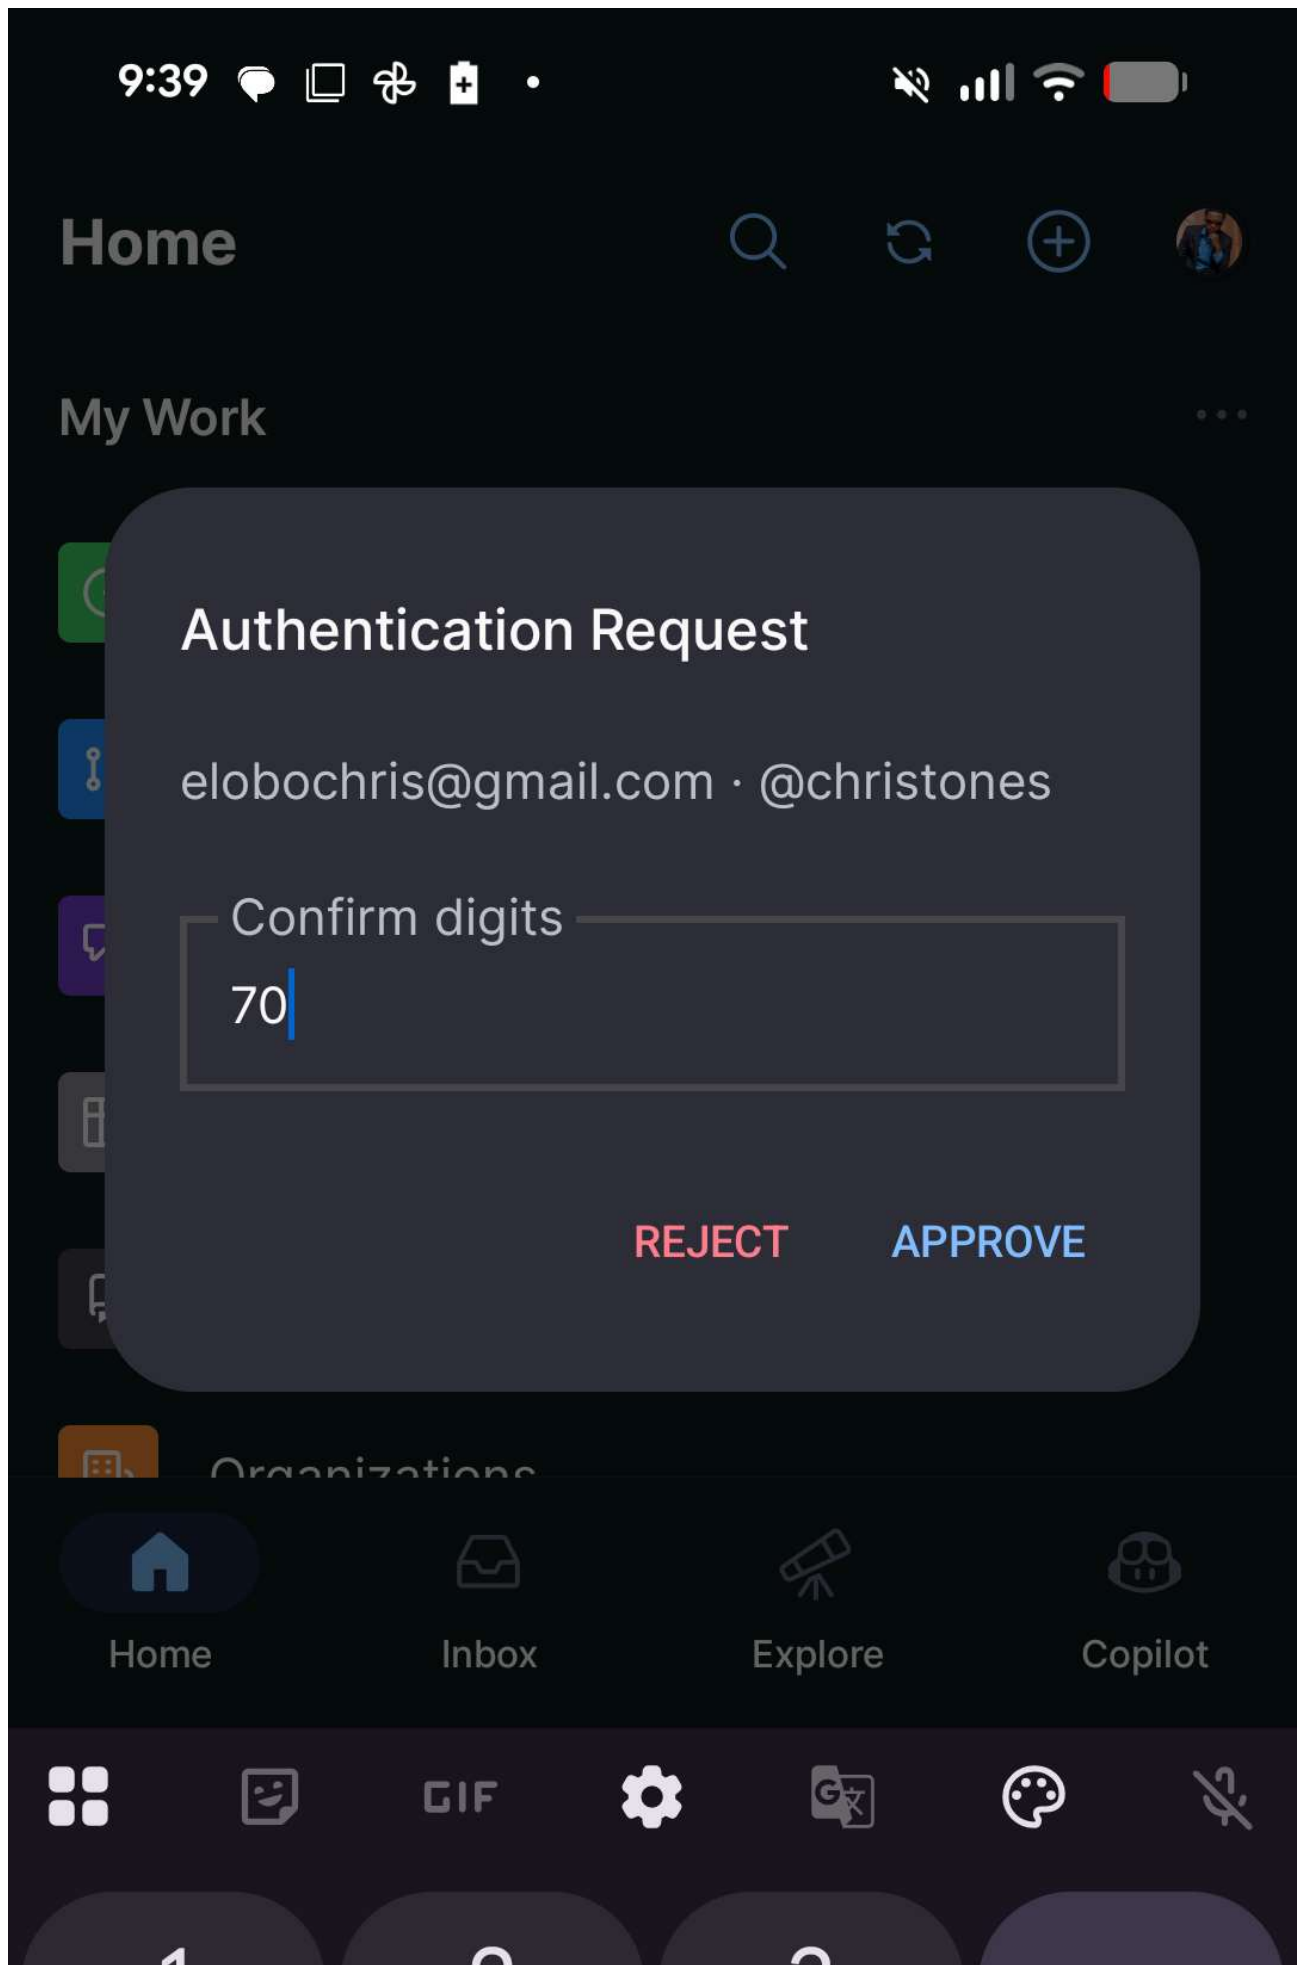

70

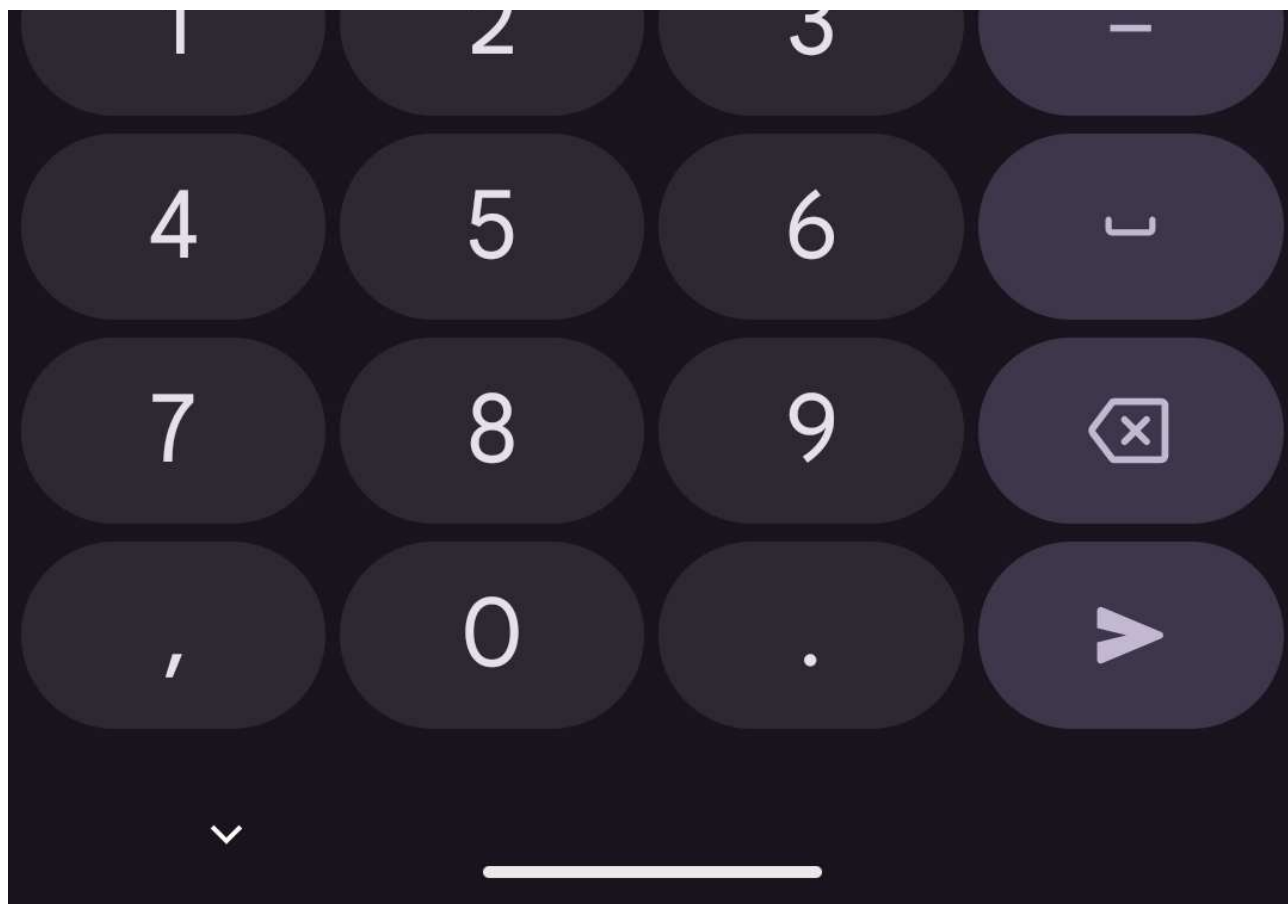

#### Having problems?

- [Use your password](#)

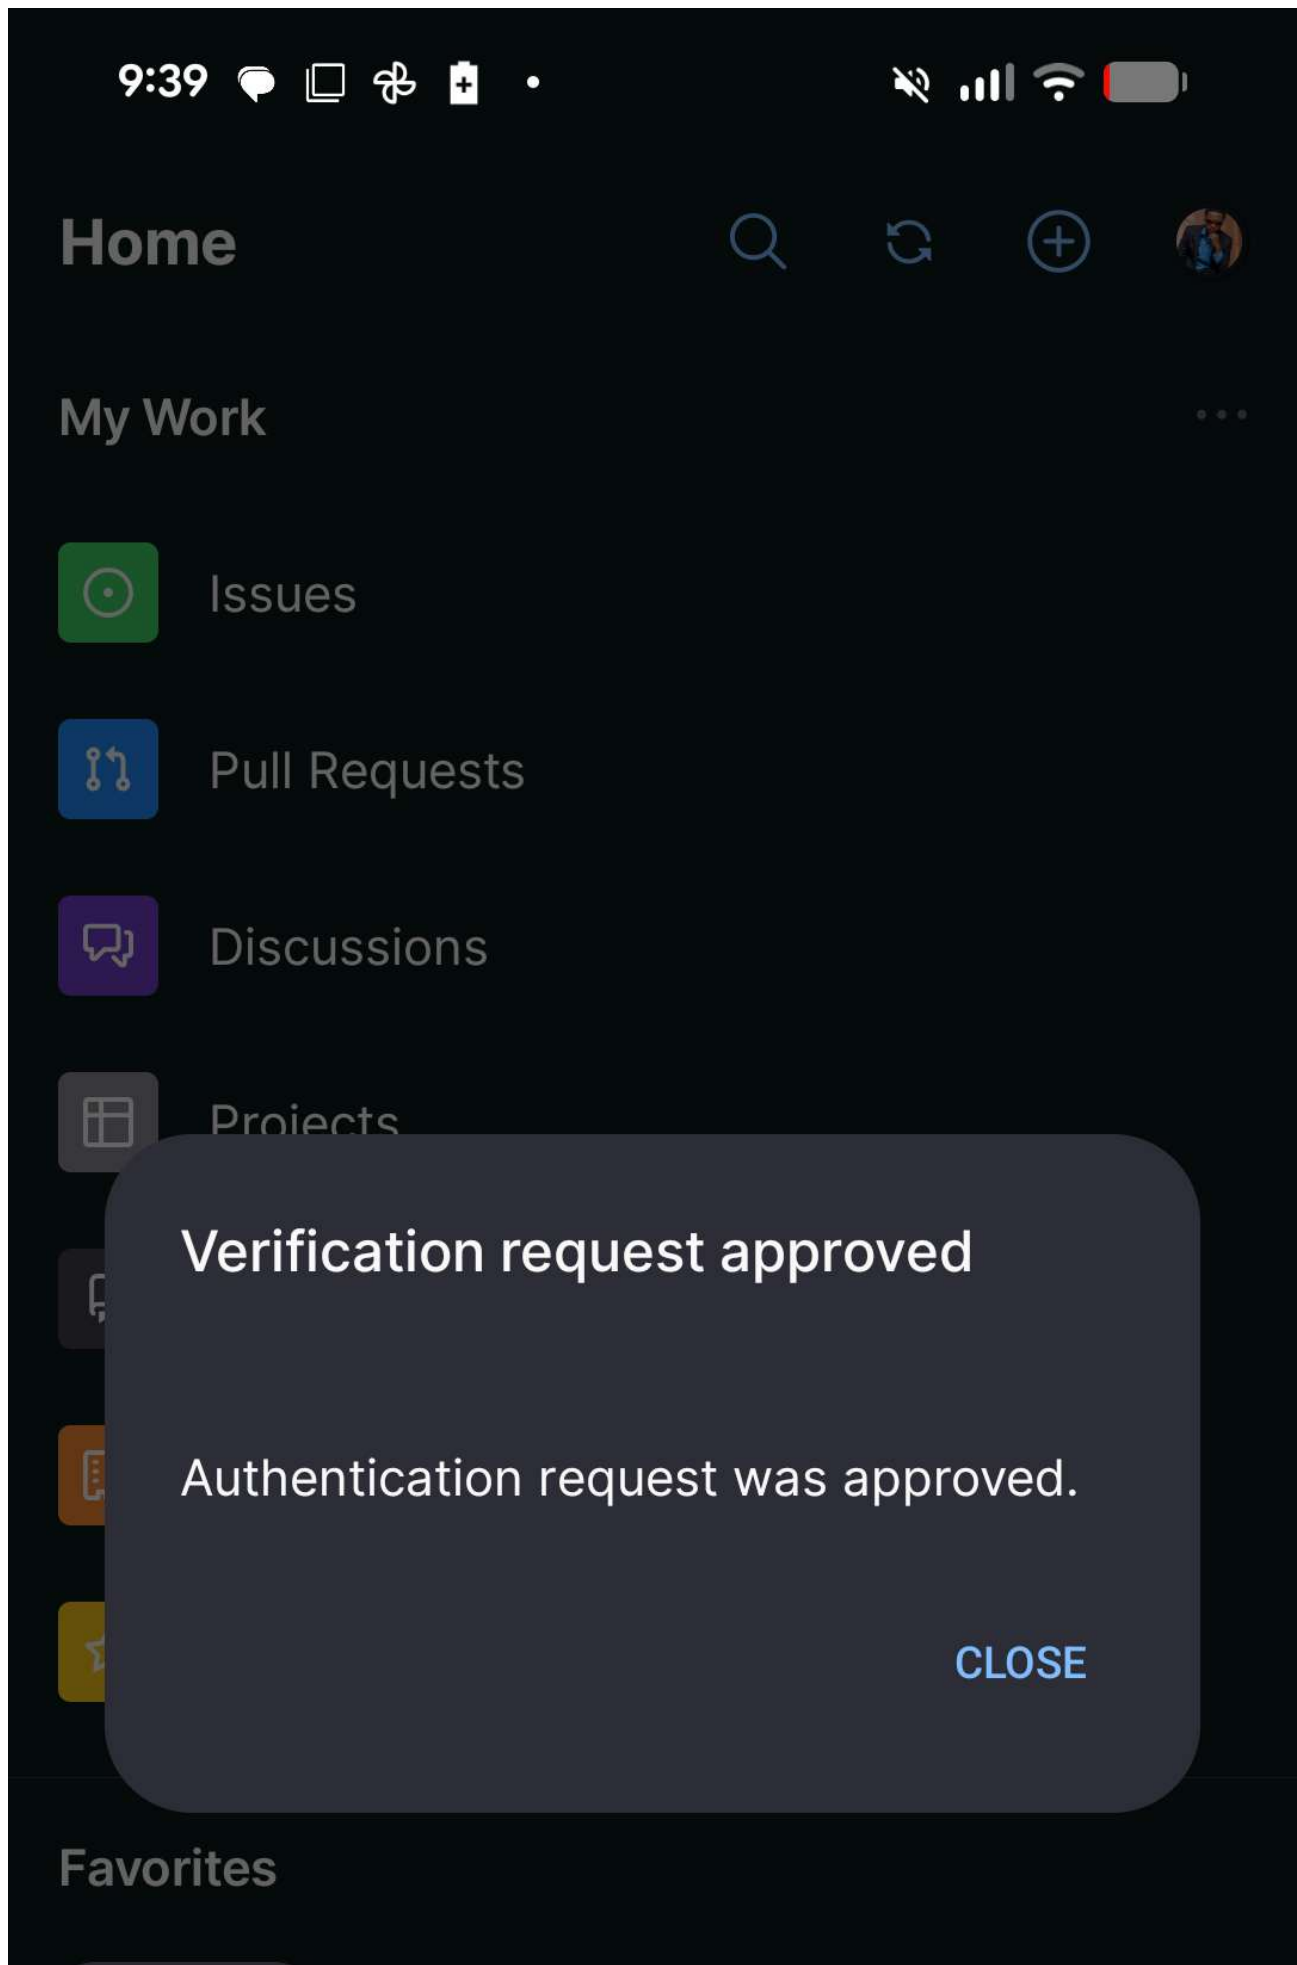

Tip: You are entering [sudo mode](#). After you've performed a sudo-protected action, you'll only be asked to re-authenticate again after a few hours of inactivity.
